The insanity of what it means to take advantage of a situation and to lose your humanity In the midst of a global crises: In a time of a complete lockdown from the outside and even a self imposed curfew in #Bethlehem where fear and panic are growing; the #Israeli occupation army came into Bethlehem late last night dressed in their #coronavirus protective gear and arrested three young #Palestinians from their home. [There are viruses that kill humans and ones that kill humanity.](#)

“...there is **another virus** that has existed in this world and has been **slowly incubating and spreading** itself in the hearts and minds of many. The virus that is at the **core of all our epidemics and illnesses**,

.....

....It is the virus that might not kill us directly, but **takes over our minds and makes us kill each other.**

It makes me see **my religion and my God as better than yours, my race as purer than yours, my gender as superior to yours, and therefore justifies my violence towards you.**

# PFLP Activist: Israel spreading Coronavirus

Rasem 'Abidat, an PFLP activist and Palestinian daily Al-Quds columnist:

"This begs the question: Did the **U.S.** **and Israel** choose the option of [waging] **biological warfare by spreading the coronavirus**, which can deliver a decisive blow to China and Iran, on the assumption that this would lead to **China's economic retreat and collapse and also undermine Iran** while destabilizing its domestic economy and security, enabling to defeat it from within?..."

PA president Abbas blamed the **Israeli soldier** with **spreading the virus** in the PA by "**spitting on vehicles**".

MK Ahmad Tibi: "It's the same IDF that is helping the PA right now. ...I will **never say a good word about occupation soldiers**"

# Zochrot: “historical medical colonial measures”

Zochrot published an article on COVID-19 in times of settler colonialism

**“Israel [is] a settler colonial society.”**

Compares Israel to various historical colonialist enterprises,

to **“Europe unwittingly exported smallpox and measles to the ‘New World’ and Africa via the slave trade, later adding malaria and yellow fever...”**

... It is telling that the **blockade** and closing of checkpoints in Bethlehem was **not followed** by similar measures **in Tel Aviv** or other Israeli cities after similar numbers of patients were diagnosed.”

# “Occupation” exploits Corona against prisoners

**"occupation exploits the coronavirus .....**

**in order to implement its criminal plans against the Palestinians, especially the prisoners** who are now in great danger.

And **unleashing the settlers to attack the Palestinians** .....is evidence of this **fascist racist mentality** that will not hesitate to commit any crime against the Palestinians."

Al-Hayat Al-Jadida, March 17, 2020]

“Meetings are also how lawyers can learn about the conditions inside the prisons. “We have no idea what’s going on in the prisons. The situation is very worrying,” said [Sahar Francis](#), the director of Addameer,

**“Now, we can’t hear their complaints about the state of health, mistreatment, or torture.”**

## 3 Antisemitic and anti Israel conspiracy theories

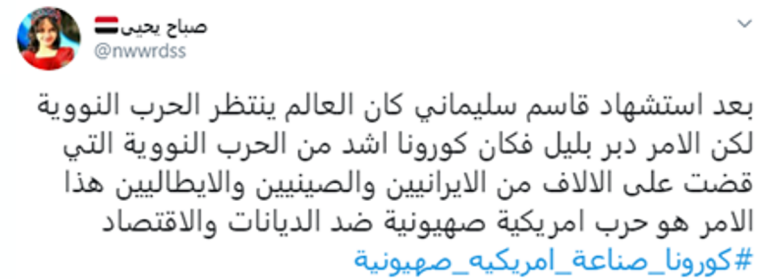

## 3.1. Blaming Israel and the US

# Iranian virus strain different and targets Iranians

“After the death of Qassem Soleimani the world was expecting a nuclear war... but **Corona was stronger than a nuclear war**, ending the lives of thousands of Iranians, Chinese and Italians. This is an **American-Zionist war against religions and the economy**.

# Iranian virus strain different and targets Iranians

A viral video circulating on Twitter since March 24, shows an old Palestinian refusing to listen to instructions regarding Coronavirus, addressing it as

**“an imperialist Zionist American Saudi conspiracy”** directed “against the Palestinian people” and “Al-Aqsa” so that **“we won’t be able to pray at Al-Aqsa”**

“Who is behind spread of the Coronavirus and who benefits from it.

The “White House idiot” is nothing but a puppet of the hidden global government. To secure hegemony, break the Silk Road and countries like China, Russia and Iran, put an end to the oil states with bankruptcy, and end the sick European Union

After gaining control of the virus, the one who benefits from it will appear.
