**AUGUST 2022 INCIDENTS DATA - 1.9% YEAR-TO-DATE DECREASE FROM 2021**

The CAM Information Hub tracked **185 antisemitic incidents reported in the media worldwide in August 2022**, marking a daily average of 6.0 incidents. Year-to-date, CAM has recorded a total of 1,371 incidents, or an average of 5.6 incidents per day, down 1.9% from the same time frame in 2021.

August 2022 saw 88 incidents of far-right antisemitism (47.7% of total), as well as 38 (20.5%), 20 (10.8%), and 39 (21.1%) in the Islamist, far-left, and unidentifiable categories, respectively.

CAM also monitored 16 physical threats against Jews in August, as well as 76 incidents of antisemitic vandalism.

**GLOBAL ANTISEMITISM FOCAL POINTS**

**Palestinian Leader Mahmoud Abbas Condemned Over '50 Holocausts' Remarks**

Leaders in Germany, the United States, and Israel denounced Palestinian Authority President Mahmoud Abbas for accusing the Jewish state of perpetrating "50 Holocausts" against the Palestinians since 1947.

The remarks – in which Abbas also refused to denounce the 1972 Munich Olympic massacre, in which 11 Israeli athletes and coaches were murdered – came at a joint press conference in Berlin with German Chancellor Olaf Scholz.

**Murderer of Jewish Man in France Admits to Antisemitic Motive, Media Reports Say**

A 34-year-old Jewish man, Eyal Hadad, was murdered in Longperrier, France, northeast of Paris, and the suspected perpetrator, Hadad's Muslim roommate, reportedly confessed to an antisemitic motive.

The National Bureau of Vigilance Against Antisemitism (BNVCA) stated that the alleged assailant, Mohamed Dridi, killed Hadad with an ax blow to the head. Dridi was also said to have burned Hadad's face in an attempt to prevent him from being identified.

**New CAM Report Details Rising Global Trend of Holocaust Trivialization**

The CAM Information Hub monitored 214 public manifestations of trivialization of the Holocaust from July 2021 to July 2022.

The incidents spanned 29 countries and six ideological motivations (COVID-19 Restrictions, Israel-Palestinian conflict, General Political Opposition and Rhetoric, Russia-Ukraine Conflict, Sports, and Climate Change).

The largest category was COVID-19 Restrictions, with 125 incidents.
