GLOBAL ANTISEMITISM FOCAL POINTS

Governor Abbott Issues Executive Order to Fight Rising Antisemitism at State's Colleges and Universities

Governor Abbott of Texas issued Executive Order No. GA-44, aimed at combating antisemitism on college campuses.

This executive order mandates all universities in Texas to include the International Holocaust Remembrance Alliance (IHRA) Working Definition of Antisemitism in their free speech policies.

Governor Abbott said when signing the executive order: "Antisemitism is never acceptable in Texas, and we will do everything we can to fight it... We must work to ensure that our college campuses are safe spaces for members of the Jewish community."

More Than 1,000% Rise in Anti-Zionist Activities by University of California Faculty Post-10/7

A new report published by the AMCHA Initiative revealed there has been a more than 1,000% surge in anti-Zionist activities by University of California faculty members and graduate students in the aftermath of the October 7th Hamas massacre in Israel and detailed how this has fueled rising campus antisemitism.

The report concluded, "We recommend that the UC Regents establish robust enforcement procedures for ensuring that faculty are prohibited from using their University positions and resources to engage in political indoctrination and activism."

IHRA Antisemitism Definition Adoptions in First Quarter of 2024 Led by US States; Continued Progress in Latin America and Europe

A total of 10 entities across the world adopted or endorsed the International Holocaust Remembrance Alliance (IHRA) Working Definition of Antisemitism in the first quarter of 2024, from January to March, according to data compiled by the Antisemitism Research Center by CAM.

The biggest development this year so far has been in the United States. In the first three months of 2024, two new U.S. states, Georgia and Indiana, adopted the IHRA Working Definition of Antisemitism, an increase from last year when one state, Arkansas, did so in the first quarter.
